In the event such purchase order expressly limits acceptance to its terms the seller's acknowledgement in accordance with the terms herein shall be deemed a rejection of buyer's offer to purchase, and in either event seller's acknowledgement shall constitute an offer to sell which may be accepted only in accordance with its terms and conditions without modification, addition or alteration. Under those circumstances the failure of buyer to deliver notification of objection to these terms and conditions of sale within a reasonable time shall be deemed an acceptance thereof and a contract shall be formed only upon such terms and conditions of sale.
